TELL US A LITTLE ABOUT YOUR FUNDRAISING EVENT

For Greenlight Entertainment to assist you with your fundraising efforts, we have developed a quick and easy form for you to complete and send back to us.

By knowing a little about the ages of attendees at your event we can position the most desired collectables in front of the right crowd.

Do you need an Auctioneer? A live Auction is a fantastic and heart raising experience for those in the room, in most cases the room will bid higher because they become immersed in the energy and fear of loss from others bidding live against them.

Greenlight Entertainment can provide the services of a licensed Auctioneer for your event to really boost your results.
